Forage/Mulch Certificate of Inspection

*Note: This is not a Transit Certificate

Date of Inspection: _____ **Permit Inspection Number:** _____

Inspection of forage area, mulch source, and surrounding lands.

This certifies that the area described below has been inspected per the NAISMA WFF Minimum Standards. The objective of the program is to help prevent and slow the spread of the Prohibited Weeds by providing forage/mulch material that is free* of the potential for transport and dispersal of listed weed species.

Owner/Producer _____ **Phone:** ____ - ____ - _____

Address: _____ **City:** _____ **State/Province:** ____ **Postal Code:** ____

Field Description: _____

Number of acres/hectares inspected: _____ **Forage Product:** _____

Tons/Bales: _____ **Packaging Type & Size:** _____

Marking System (circle one): NAISMA twine, galvanized wire, tags, none

Level of Certification:

_____ EXCEEDS requirements of the NAISMA Certification Standards and contains only the specified forage/mulch Material with no other plant material noted.

_____ MEETS requirements of the NAISMA Certification Standards. This material contains variable amounts of annual weeds and/or other weeds not listed as prohibited.

_____ MINIMUM requirements of the NAISMA Certification Standards are met*. This forage contains variable amounts of Prohibited species which were immature, (nonviable seed) when harvested, or were treated to prevent seed formation. These plant parts, although not usually desirable in the forage product, are not considered able to begin new infestation,

_____ FAILED

Additional Comments:

Requirements

- Forage must be inspected within 10 days of harvesting; inspected in Field of Origin. Field border shall be inspected, including surrounding ditches, fence rows, roads, easements, rights-of-way, and/or a buffer zone surrounding field as determined by the designated authority.

This certification terminates on: Date: ____/____/____

Designated Authority: _____ **Title:** _____

Signature: _____ **Phone:** ____ - ____ - _____

***Disclaimer: Certified forage may not meet the forage quality standards adopted by the Hay Marketing Task Force of the American Forage and Grassland Council**
