Forage in Transit has been inspected according to North American Invasive Species Association Weed Free Forage Standards. For smaller loads, an approved NAISMA marking system such as special twine or tags may be used in place of this form.

NAISMA Cert No.	Date	Producer
-----------------	------	----------

A. _____ MEETS requirements of the NAISMA Minimum Weed Free Forage Standards. *This forage contains variable amounts of Prohibited or Noxious weed species which are immature, (no viable seed) when harvested, or were treated to prevent seed formation. These plant parts, although not usually desirable in the forage product, are not considered able to begin new infestations.

B. _____ NOT MEET (FAILED) requirements of the North American Forage Certification Standards

(Weeds noted): _____

Additional Comments: _____

Certified by: _____ Title: _____ Inspector #: _____

*Paper or electronic copy of this form shall be delivered to the End User or Consignee upon completion of delivery. Electronic copy of Transit Certificate may be accepted by Law Enforcing Agencies or Port of Entry Authority
